MINUTES OF MEETING
May 14, 2012

Members Present: Hoot Sherman, Ken Pysher, William Anderson, Town Liaison: Supervisor Dougherty

Members Excused: Chairman John Hallman, Walter Richards

Others Present: Howard Johansen, Julie Lane

The meeting opened at 7:30 PM

The next meeting is scheduled for **Tuesday, June 11, 2012 at 7:30PM.**

The minutes from April 9, 2012, were approved.

New Business:

Monitoring Well Information:

Member Pysher distributed the monitoring well readings for April 2012 and noted that most are on an upward trend due to the recent rain.

New Business:

2013 The End is Near for Underground Sprinklers:

The WAC generally agreed that this topic had thoroughly reviewed and discussed at the last meeting. Member Sherman suggested that it may be time to publish this information in the SI Reporter to notify the public.

Environmental Education Forum:

Member Sherman reported that he has the informational materials ready for the forum and suggested they arrive around 8:30 a.m. to set up. Member Pysher volunteered to man the booth with Member Sherman. Town Liaison Supervisor Dougherty reported that the Superintendent of Highways has arranged to have an industrial shredder on site for use by the community.

SCDH Water Testing:

Member Sherman reported that Ron Paulsen's group is the one that comes out once or twice a year to do water quality sampling and testing. He further reported that Ron Paulsen has stated that he has lost approximately half of his manpower, so he cannot guarantee anything at this time.

Member Sherman noted that the WAC may need to request that the Town Board hire someone to perform future water quality testing.

Meeting adjourned 8:00 PM

Respectfully submitted,

Danielle LiCausi, Clerk to the Committees
